Thankfulness is the feeling of appreciation or gratitude for something that has happened, or a benefit received"

QT School Age would like to thank our dedicated staff for their continuous hard work and focus on quality learning environments for our school age program. Between college courses, families of their own, 2nd or 3rd jobs, we appreciate the efforts you all put into creating bonds with our children and creating safe spaces for families to feel welcome and secure while leaving children in our care. We truly could not do what we do without you all, and we are so thankful to have such a wonderful teachers
