Day Care You Can Trust For Children.

Dear LifeSpan Parents,

This letter is to assure you of our concern for the safety and welfare of children attending LifeSpan. Our Emergency Plan, which is located at each facility, provides for complete response to all types of emergencies. Depending on the circumstance of the emergency, we will use one of the following protective actions:

- Immediate evacuation: students are evacuated to a safe area on the grounds of the facility in the event of a fire, etc.
- In-place sheltering: sudden occurrences, such as weather or hazardous materials related incidents, may dictate that taking cover inside the building is the best immediate response.
- Evacuation: total evacuation of the facility may become necessary if there is a danger in the area. If requested by local authorities, children will be taken to a relocation facility as follows.

LifeSpan Day Care – Quakertown
 LifeSpan Day Care - Allentown
 LifeSpan Day Care – East Greenville
 Quakertown 6th Grade Center

LifeQuest Nursing Center

- Modified Operation -may include cancellation, postponement or rescheduling of normal activities. These actions are normally taken in case of a winter storm or building problems that make it unsafe for children but may be necessary in a variety of situations.

Please listen to Channel 69 Storm Center for announcements relaying any of the emergency actions listed above.

We will rely on the telephone as the primary means of notification and communication. Calls can be made to LifeSpan cell phones concerning emergency status using the following numbers:

INDIVIDUALIZED EDUCATION PLANS (IEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP) INFORMATION SHEET

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The Keystone STARS Performance Standards therefore require each early learning provider to request copies of IEPs and IFSPs for the children in their care. Because of the importance of the IEP/IFSP to a child's learning, the program should have a copy before the child begins to attend, if possible.

The information found on an IEP/IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA). Releases of information may also be required to speak to members of a child's treatment team. Professional development regarding privacy issues, and HIPAA in particular, is highly recommended.

Your child's growth and development is measured with developmental assessments. If your child currently has an IEP/IFSP, it would be beneficial to share a copy of this plan with us so we can work together to ensure that the guidelines are put into practice. You do not have to provide this information if you do not wish to do so.

- I am providing a copy of my child's IEP or IFSP.
- I am not providing a copy of my child's IEP or IFSP
- This is not applicable to my child.
