Day Care You Can Trust For Children.

Dear LifeSpan Parents,

This letter is to assure you of our concern for the safety and welfare of children attending LifeSpan. Our Emergency Plan, which is located at each facility, provides for complete response to all types of emergencies. Depending on the circumstance of the emergency, we will use one of the following protective actions:

- Immediate evacuation: students are evacuated to a safe area on the grounds of the facility in the event of a fire, etc.
- In-place sheltering: sudden occurrences, such as weather or hazardous materials related incidents, may dictate that taking cover inside the building is the best immediate response.
- Evacuation: total evacuation of the facility may become necessary if there is a danger in the area. If requested by local authorities, children will be taken to a relocation facility as follows.

## **INDIVIDUALIZED EDUCATION PLANS (IEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP) INFORMATION SHEET**

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The Keystone STARS Performance Standards therefore require each early learning provider to request copies of IEPs and IFSPs for the children in their care. Because of the importance of the IEP/IFSP to a child's learning, the program should have a copy before the child begins to attend, if possible.

The information found on an IEP/IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA). Releases of information may also be required to speak to members of a child's treatment team. Professional development regarding privacy issues, and HIPAA in particular, is highly recommended.

Your child's growth and development is measured with developmental assessments. If your child currently has an IEP/IFSP, it would be beneficial to share a copy of this plan with us so we can work together to ensure that the guidelines are put into practice. You do not have to provide this information if you do not wish to do so.

- I am providing a copy of my child's IEP or IFSP.
- I am not providing a copy of my child's IEP or IFSP
- This is not applicable to my child.

## Transfer of Care Policy

### Summer Camp

The Pennsylvania Department of Human Services, our licensing agency, is requiring that all child care centers have a “Transfer of Care Policy” in place. This policy needs to clearly define when supervision is the responsibility of **LifeSpan** Summer Program, and the parent/guardian/authorized pickup.

- **Transfer of Care from parent/guardian/authorized drop off to child care in QTSA Summer Program: Summer Camp**

Supervision of the child begins when the child physically enters QTSA summer program and the parent/guardian/authorized signs the child in. Until the child is signed in, the child is still considered to be in the care of the parent/guardian/authorized pickup.

- **Transfer of care from QTSA Summer Program to parent/guardian/authorized pickup: Summer Camp**

Supervision of the child by the QTSA summer program ends when the parent/guardian/authorized pickup arrives to pick the child up. Once the parent/guardian/authorized pickup arrives on site and is acknowledged by the QTSA staff, care of the child is transferred to the parent/guardian/authorized pickup, and supervision of the QTSA program ends, regardless of if the parent/guardian/authorized pickup has signed them out.
