MAY HAPPENINGS

We would like to send appreciation out to all our teachers here at LifeSpan and the incredible work they do with the children each day! Since our teachers truly hold a special place in our hearts- Let's celebrate them in a big way! Teacher Appreciation Week is May 4th-8th.

We would like to wish all the moms, stepmoms, grandmoms, and aunts a very HAPPY MOTHER'S DAY from all of us here at LifeSpan! We will celebrate with our annual Moments with Mom event on Friday, May 8th from 3:30-5:30PM. This is an outdoor event (weather pending) to spend some time together! Feel free to bring a picnic blanket and a book (or borrow one of ours) to read together outside, complete a craft, and enjoy the playground area.

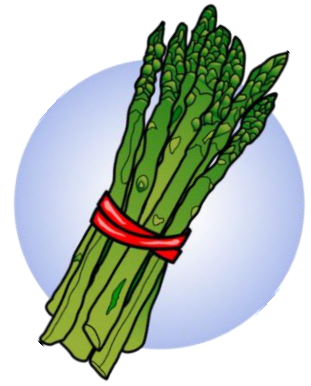

Looking ahead to June ...More celebrations are on the way for June for our graduation ceremonies. Graduation ceremonies will be held outside on the LifeSpan lawn weather permitting. Please bring a chair or blanket if you prefer. On Thursday, June 4th at 2:00PM Pre-K 1 with Ms. Alyssa and Pre-K 2 with Ms. Beth will have their graduation ceremony with light refreshments to follow. Friday, June 5th will be Ms. Tania's Kindergarten class graduation with Ms. Deanna's K Prep class graduation at 2:30PM.

Summer is just around the corner and so is our last day of the school year! Summer care officially starts the week of June 15th. Planning on taking a vacation week? LifeSpan families get 1 vacation week per fiscal year. Stop by the front office and fill out a vacation form. We hope you are looking forward to some family fun in the sun!

FARM TO SCHOOL CONNECTION

Our PA Harvest of the Month for the month of May is asparagus. Did you know when planting asparagus it can take about 3 years to produce spears? Once spears produce they can last for up to 20 years of harvest.

Have you seen the new greenhouse in the LifeSpan Learning Garden? Be sure to take a walk and check it out at pick up one day this week and sneak a peek at all the planting projects going on!

SAFETY TOPIC OF THE MONTH

Our monthly safety topic is Bike & Helmet Safety. It is always important to wear a helmet when enjoying a bike ride. Wearing a helmet that fits correctly helps to protect your face, head, and brain if a fall occurs. PA Law does require bike riders under the age 12 to wear a helmet.

A FEW REMINDERS

-Children of LifeSpan spend time outside each day weather/temperature permitting. Please be sure to send your child dressed for play- this includes safe closed toe shoes. Feel free to have a pair of boots on hand for any lingering puddles on the playground.

-If your child will be absent from school, please be sure to send a procare message or call the front desk to let the school know. If you plan on your child arriving after 10:30, be sure to do the same so that teachers may plan accordingly.

HAPPY BIRTHDAY!
